

When you

Open  
your legs  
to me

The place  
you have  
opened

Is a place  
I never  
could have

Imagined --  
having been  
there, I never

Remember  
perfectly  
the perfect

Place  
that  
it is

The hermit's

Tabernacle  
The tabernacle's  
wilderness

All wildernesses  
belong to  
the girl next door
